

ALEXANDRA PEPIN

ICE SKATER, PERFORMER, COACH

Between my professional and competitive experience, I skated for 23 years. I spent the last 7 years as a professional principal performer. I choreographed skaters showcase on one of Royal Caribbean ships. I has been coaching for 5 years, and also choreographed many programs. I installed an off ice program and I did conferences in school and on tv about professional ice skating. Skating has always been part of my life and it is my forever passion, I really like sharing that passion with others.

I am a really hard working, positive, disciplined, attentive, genuine and organized person. I love to take lead of projects and be part of a team. I am not afraid of challenges, and I am always learning from other people. I also really like to support all my skaters and to guide them to their best possible selves.
