ICE SKATER, COACH, MANAGER

Between my competitive and professional skating experience, I have been skating for a total of 34 years. I competed as an ice dancer in national and international competitions. I've trained in several prestigious skating clubs with coaches including Pasquale Camerlengo and Massimo Scali at the Detroit Skating Club, USA. I've worked as a professional ice skating performer since 2011 for many companies including Feld Entertainment, Disney On Ice, Holiday on Ice, Willy Bietak Productions. I've also been manager on Royal Caribbean cruise ships since 2020. I've also been supervisor for other companies since 2012. Through those years I had the chance to work in different environments in Show Business and Hotel, Theaters, Arenas. I'm a hard working person, and I'm always ready to learn something new for myself to improve as a professional, as a leader and as a human being. Throughout my experience I've always been supporting a positive atmosphere, implementing safety and good motivation with all my teams. I've been working with people from different nationalities and cultures in almost 60 different countries. I speak fluently 2 languages, English and Ukrainian. On a basic level I can communicate in Polish and I am also studying French.
